Re: Correspondence of February 4, 2011

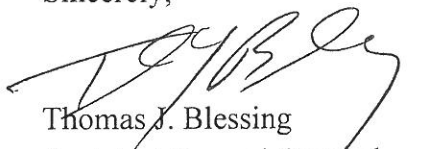

Dear Mr. Heck

I received, reviewed and investigated background information related to your letter of February 4, 2011. As I believe you know, the Embassy of the United Arab Emirates awarded the University of Michigan a contract for a total amount of \$2,033,590. You express your concern in reminding the University of its obligation to the contract sponsor.

The University has now completed activities on the contract and provided the contract sponsor with both an accounting and return of unspent funds (\$1,265,186.67). Please be assured that the University did, in fact, provide the contract sponsor with the requisite information.

Thank you for your attention on this contract. Please direct any further inquiry on this matter to me.

Sincerely,

Thomas J. Blessing
Assistant General Counsel
