Det. Tacey
[REDACTED] Right.
And then I axed her like why are you telling people that we did something to you and
you know nothing, nothing even happened. She like I blacked out, you, you coulda, you coulda did
something to me while you know while you kiss me. I'm like I didn't even remember, I don't even
remember kissing you.
Det. Tacey
[REDACTED] Okay. Did you do something to her.
No I didn't, I didn't do anything to her.
Det. Tacey
[REDACTED] She's alleging that at one point you reached underneath her dress and grabbed her
buttocks and grabbed her vagina.
[REDACTED] No I did not do that.
Det. Tacey
[REDACTED] And then later on, um shortly thereafter wards that you were asking to have sex with
her.
[REDACTED] No, I did not ask to have sex with her.
Det. Tacey
[REDACTED] Okay. Did you try to have sex with her.
No I did not.
Det. Tacey
[REDACTED] Did you reach underneath her dress.
No.

[REDACTED] No.
Det. Tacey [REDACTED] Did you touch her underwear.
[REDACTED] No.
Det. Tacey [REDACTED] Did you at all reach underneath her dress.
[REDACTED] No.
Det. Tacey [REDACTED] Okay, why would she tell me that.
[REDACTED] I don't know.
Det. Tacey [REDACTED] I don't know either that's why I'm asking.
[REDACTED] I didn't, I did not touch her in any way.
Det. Tacey [REDACTED] Okay. She's on the bed at this point, and very similar to how you diagramed it out
and you know [REDACTED] in there also. She says that she's telling you guys don't touch me I don't
want to have sex. Okay because she's, I'm telling you what she's saying, then she puts her back

[REDACTED] She said I did that.

Report Narrative (Continued from 1 of 3)

[REDACTED] Oh.
Det. Tacey But this is what she said you did. That you grabbed her dress and pulled down her dress and pulled down her panties and then you began to kiss on her, you were kissing her breasts, kissing her abdomen, you're rubbing her leg and your rubbing her vagina.

[REDACTED] No.
Det. Tacey No.
[REDACTED] No. I did not do none of that.
Det. Tacey Why would she say that.
[REDACTED] I don't know.
Det. Tacey Okay. Is she mad at you for some reason.
[REDACTED] I don't know why she would be mad 'cause, it's like we, we nothing like this ever happened.
Det. Tacey Okay.
[REDACTED] To me like we've never even, like even talked like that, for up for me to try to grab on her.
Det. Tacey Right.
[REDACTED] So, I don't understand, I, I didn't.
Det. Tacey Did you offer to perform oral sex on her.
[REDACTED] No.
Det. Tacey Have you ever offered that.
[REDACTED] No to [REDACTED] no.
Det. Tacey Okay. She says um, that it was at that point that she blacked out. Okay.
[REDACTED] Well she tell me that she blacked out when I was kissing her.
Det. Tacey Yeah and, and touching her and rubbing her. And then [REDACTED] reaches over as grabbing her breast and she's trying to push you off.
[REDACTED] (Inaudible).
Det. Tacey No.
[REDACTED] Uh uh. (no)
Det. Tacey Okay. When I talked to her the first time on Saturday night she was up at the hospital.
[REDACTED] Uh huh.

Det. Tacey Okay, she went up to the hospital to have what's called a criminal sexual conduct or rape kit...
 Uh huh.
Det. Tacey ...done on her, that's where they do an examination, see if she's injured, see if she's had sex, take a statement from her...
 Uh huh.
Det. Tacey Part of that is they take swabbings and what they're looking for in those swabbings is DNA evidence.
 Uh huh.
Det. Tacey In your case it'll be pretty much two, two separate things, semen and saliva. Okay. Obviously they're gonna swab her vagina...
 Uh huh.
Det. Tacey ...see if you or [REDACTED] had penetration sex with her in the vagina. But the other thing they did is that they swabbed both of her breasts...
 Uh huh.
Det. Tacey ...for saliva. And you know, I know, Det. Lencioni knows, give me a kiss, you transfer your DNA to each other...
 Uh huh.
Det. Tacey ...whether it be in the mouth on skin, wherever. Okay.
 Uh huh.
Det. Tacey Is your DNA going to be on those swabbings from her breast?
 She tell, I told you, she told me I had kissed her, I said I didn't, I don't remember kissing you.
Det. Tacey Okay, I can appreciate that, but that's, that's not what I'm asking. You know for sure whether you kissed her breast or not. Right.
 I don't know.
Det. Tacey You don't know for sure.
 No, I don't.
Det. Tacey Why don't you know.
 'Cause I didn't, I told you I was drinking, I didn't remember everything that happened.
Det. Tacey Okay, I understand that part. But you know when you're with a girl, up in a bedroom, things are understood...
 Uh huh...
Det. Tacey ...correct.
 Yes.
Det. Tacey Okay, and I've been to school, I went to college, Det. Lencioni went to college, and we know what it's like when a couple college kids are hanging out together, okay. Now we need to get to the truth of this matter because it's very important...
 Uh huh.
Det. Tacey ...in regards to everything. Is there any possibility that any of your DNA from your saliva or DNA from your sperm
 I guess so...
Det. Tacey ...are going to be on her.
 I, I guess so, I, I, guess...
Det. Tacey You guess so.
 I guess, I don't even know.
Det. Tacey Why do you guess so.
 'Cause I mean that's what it seems, it seems like that's what happened, she, she, she telling me and that's how you're making it seem to me like, like I did it or.
Det. Tacey Well, we're here for the truth.
 Uh huh.
Det. Tacey We need to know the truth.
 I'm telling you the truth.
Det. Tacey Well, the problem is even though that you may have had that much to drink, what you're saying, you still know what you're doing because you never indicated to me that you blacked

out, right. You have a pretty good idea what happened, you know what happened. There's only three people...

[REDACTED] (Inaudible).

Det. Tacey In this whole world that know what happens, okay. One of them is you.

[REDACTED] Uh huh.

Det. Tacey One of them is [REDACTED] One of them is [REDACTED] Okay. Part of our investigation is we need to find out, confirm or deny what did happen up there.

[REDACTED] Uh huh.

Det. Tacey We do that by physical evidence, okay. You don't know, you probably don't know this but today before I called you, I actually called you from [REDACTED] house. I was at [REDACTED] house serving a search warrant.

[REDACTED] Uh huh.

Det. Tacey That search warrant was for several items, but ones that would be most interested to you would be the bedding and the sheets that were on the bed in the bedroom.

[REDACTED] Uh huh.

Det. Tacey Okay. Why do you think I would want the bedding and the sheets.

[REDACTED] Semen.

Det. Tacey Exactly. And I'd be looking for...

[REDACTED] (Inaudible)

Det. Tacey I'd be looking

[REDACTED] (Inaudible) semen (Inaudible)...

Det. Tacey yep, I'd be looking for your semen and be looking for your saliva, same thing for ah for ah [REDACTED]

[REDACTED] Uh huh.

Det. Tacey Okay. So, that's one aspect that we use when we do this investigation. Other aspect is ah witness statements another one is actually the truth that's coming from the people that are involved.

[REDACTED] Uh huh.

Det. Tacey Which you are.

[REDACTED] Uh huh.

Det. Tacey Now you're sitting here telling me that you're not exactly sure you know what happened. And I understand down at the police department it's not the place where you wanna be right.

[REDACTED] (Inaudible)

Det. Tacey I, we understand that, but, that's what she's saying and we need to get this straightened out and figure out what is true and what's not.

[REDACTED] (Inaudible)

Det. Tacey I need to know.

[REDACTED] I mean, I don't remember doing nothing to her.

Det. Tacey Okay. You don't remember or

[REDACTED] ...I don't...

Det. Tacey ...you don't want to remember.

[REDACTED] I don't, that's the way she told you, actually when she, when she had told, I told her I, I don't remember doing nothing.

Det. Tacey Okay.

[REDACTED] I'm like, I asked her like [REDACTED] like why, why would I, why would I do that to you, like we, we, we're not, we weren't even on that level ta...

Det. Tacey What do you mean by on that level.

[REDACTED] We're not on the level, like talking like that ta even get to that point.

Det. Tacey Okay.

[REDACTED] Ta do something like that.

Det. Tacey But her and [REDACTED] are talking about having sex.

[REDACTED] Yes.

Det. Tacey Were you thinking that you want to be a part of that.

[REDACTED] She. She says, she, she wasn't, she wasn't doing nothing (Inaudible) so I mean, I

wouldn't, I wouldn't want to be a part of that.

Det. Tacey She, what about you want to take a shower with, all 3 of you take a shower together and you had left the shower part out when you were originally talking.

Um, she said that I, that we all take a shower.

Det. Tacey She said that you wanted all three of them to take a shower.

I never told her that.

Det. Tacey You, [REDACTED], and [REDACTED]

She said, she said she wanted to take a shower.

Det. Tacey Right.

(Inaudible)...

Det. Tacey ...And that you and [REDACTED]

..shower...

Det. Tacey wanted to go with her.

Huh.

Det. Tacey And that you and [REDACTED] wanted to take a shower with her.

No.

Det. Tacey No.

She say she wanted to take a shower with [REDACTED] so I go, I went to turn the shower on for them and I came back and sat in my exact spot.

Det. Tacey Did you ever have your penis out.

No.

Det. Tacey No.

No.

Det. Tacey So, you never had your penis out there would be no sperm.

No.

Det. Tacey In regards of the swabbings that were taken from her, they won't have any of your sperm, sperm on them.

No.

Det. Tacey So as far as you're concerned, you're worried about your saliva.

Yes.

Det. Tacey Yeah.

Yes.

Det. Tacey 'Cause you were kissing her.

No...I said...

Det. Tacey ...Why would you be worried about your saliva...

...cause...(turned tape over)...the one part that I don't know, that I don't remember happened, I can't, I can't, I just, I don't remember that.

Det. Tacey Okay. But it's not so outrageous because you're not denying it, you're not, you're saying you can't remember it so it could have happened.

It could have, I don't know.

Det. Tacey And if three weeks from now I show you a piece of paper and it says from her right breast area, nipple area, there is a saliva swabbing taken from there and that saliva swabbing matches up with [REDACTED] DNA, what are you going to say about that.

I guess I did kiss her then.

Det. Tacey There's no guessing that, that, for me to Det. Lencioni for a jury I'm would say yeah he did. Now, what we're trying to understand here, what is the extent of the relationship that happened here.

What ya mean what's the extent of the relationship.

Det. Tacey Well is this just a girl that's mad at you for whatever reason...

...(Inaudible)...

Det. Tacey ...And she's trying to get back at you or were you trying to have sex with her and, and she didn't want to have sex with you and you left.

(Inaudible) I don't, like [REDACTED] is, I never tried to have sex with her.

Det. Tacey Okay.

She, I don't know why she would be mad at me for her to do something like this, I

don't, like we never had, it's never been that type of tension between me and [REDACTED] for her to, for her to even get mad at me.

Det. Tacey So it makes no sense why she would say this. What, what would your explanation to think why she would say this.

[REDACTED] I don't know.

Det. Tacey I don't know either. Girls just....

[REDACTED] ...(Inaudible)...

Det. Tacey Girls just don't out of the blue say well I'm gonna go to, to the hospital, I'm going to have a pretty evasive sexual assault kit done on me...

[REDACTED] Ummm.

Det. Tacey And I'm gonna talk to the police for over 2 hours about two guys who assaulted me. They just don't wake up the next morning and decide they're gonna do that. (Inaudible).

[REDACTED] She, she, when she, when she had told me, she told me that I had kissed on her and I told her I didn't remember that, but then she said she had blacked out...

Det. Tacey ...right...

[REDACTED] ... when I kissed on her...

Det. Tacey ...right...

[REDACTED] ...so I mean, I don't understand like if she blacked out, how'd she figure I kissed on her.

Det. Tacey Well she's telling me that as you're kissing on her and as you're touching her and fondling her and [REDACTED] holding her down, that's when she blacks out.

[REDACTED] She said [REDACTED] held her down.

Det. Tacey Yeah, did [REDACTED] hold her down?

[REDACTED] No.

Det. Tacey Do you know did her and [REDACTED] had sex.

[REDACTED] When after I...

Det. Tacey ...After you left, you said you left, you shut the door, you turned off the light.

[REDACTED] I don't, I don't, not to my knowledge.

Det. Tacey You didn't come down and

[REDACTED] (Inaudible)...

Det. Tacey ...(Inaudible) say anything...

[REDACTED]

(Inaudible)...

Det. Tacey Okay.

[REDACTED] For like 5 or 10 minutes, but other than that, no sexual activity.

Det. Tacey Well, that's considered sex.

[REDACTED] Well, legal...

Det. Tacey (Inaudible) In a legal...

[REDACTED] ...No penetration, or you know what, what I should say.

Det. Tacey No, no...

[REDACTED] No penetration or, or.

Det. Tacey I, I understand what you're saying, I'm talking from a legal standpoint...

[REDACTED] ...Yeah...okay.

Det. Tacey ...That's considered sexual conduct.

[REDACTED] Uh huh.

Det. Tacey And when did he tell you this.

[REDACTED] He told me this, wha, what was it, the day after.

Det. Tacey The day after, not that.

[REDACTED] (Inaudible)

Det. Tacey Well, speaking of after, aft, they come down right, eventually after you go downstairs, they come down, what happens when she gets into an argument with ah [REDACTED] That sound familiar at all.

[REDACTED] Yeah, she said, I mean they argue about some nonsense.

Det. Tacey What kind of nonsense.

[REDACTED] Um, like one of my, one of my, one of my teammates, he, he, they're talking.

Det. Tacey Which teammate, I'm sorry.
[REDACTED] His name is [REDACTED].
Det. Tacey Is he there.
[REDACTED] No, he's not there.
Det. Tacey Okay.
[REDACTED] So, like, I mean she, she had, she always talks to me about [REDACTED] like saying that she likes him or, oh, she, she says that she likes him but like not as, not as to be a boyfriend/girlfriend type but you know she just likes him as a friend.
Det. Tacey Alright.
[REDACTED] I mean she tell me that her and then [REDACTED] say like that's the on, he said something like that's the only person that will like be with you or something like that.
Det. Tacey Well let me kinda try to refresh your memory a little bit. Was there ever a point where [REDACTED] took some pictures.
[REDACTED] Pictures, no, I don't remember her taking any pictures.
Det. Tacey Did she ever take a picture of [REDACTED] when they were down in the living room.
[REDACTED] Um, I don't think so, I can't, I can't remember.
Det. Tacey Well, well what did you do after you went downstairs and said you went down and were hanging out with everybody else.
[REDACTED] Just sitting there talking.
Det. Tacey What did you do when she came down and ah with [REDACTED].
[REDACTED] She was talking to me but..
Det. Tacey What was she talking to you about.
[REDACTED] I wasn't nothing out of the ordinary, just like regular conversation.
Det. Tacey Okay. So I want to recap this here.
[REDACTED] Uh huh.
Det. Tacey ...make sure that I understand, okay. And we're just gonna cut right to the chase.
[REDACTED] Uh huh.
Det. Tacey She says she wants to go to the bathroom. You take...
[REDACTED] ...Hold on you talking about like, like back at the beginning...
Det. Tacey ...Yeah...
[REDACTED] ...when we first come in the house...
Det. Tacey Yeah.
[REDACTED] Okay.
Det. Tacey Yeah. Because you know, pretty much your stories are kinda, are pretty much fitting where you guys meet at. She says Studio 4 you met at but you're telling me Fifth Quarter.
[REDACTED] We had, we had, like I told you we had went, we had left early and went to, and went to Studio 4.
Det. Tacey You went to Studio 4 first, but then.
[REDACTED] No, we went to Fifth Quarter, we were at Fifth Quarter first.
Det. Tacey But where did you see her at.
[REDACTED] I thought it was Fifth Quarter.
Det. Tacey Is it possible you could have seen her at Studio 4.
[REDACTED] Yes it is.
Det. Tacey Okay. Regardless, let's get back to the heart of the matter...
[REDACTED] Uh huh.
Det. Tacey Because that's what's really concerns me.
[REDACTED] Yes.
Det. Tacey Okay. She needs to go to the bathroom.
[REDACTED] Uh huh.
Det. Tacey You take her upstairs to the bathroom.
[REDACTED] Yes.
Det. Tacey Why do you take her upstairs to the bathroom.
[REDACTED] 'Cause [REDACTED] already upstairs.
Det. Tacey That doesn't make any, because [REDACTED] already upstairs, why did.
[REDACTED] I just, 'cause she was stumbling everywhere you know, I mean, just [REDACTED] I

don't, I help you, I help you up to the bathroom.

Det. Tacey Well can you tell me what you mean by stumbling.

Like she was stumbling, she was drunk, just you know, like you know how you get when you're drunk, you tend to walk strange and

Det. Tacey So you helped her.

Yeah.

Det. Tacey You're being a nice guy and helping her out.

Yes. (Inaudible)

Det. Tacey There's a bathroom downstairs, why didn't you use that bathroom.

She said she wanted to go upstairs to the bathroom.

Det. Tacey So she's the one who wanted to...

...Yes...

Det. Tacey ...according to you. So you go up there she goes to the bathroom...

...she was looking for [REDACTED] like she wanted to go up there anyway.

Det. Tacey Okay.

So, I just led her, I just helped her up there.

Det. Tacey Okay. She goes to the bathroom, comes back out, [REDACTED] comes in the room...

Uh huh.

Det. Tacey Eventually the door gets closed.

Right.

Det. Tacey You know I'm not going, I'm doing an overview here.

Yes.

Det. Tacey And eventually her and [REDACTED] are talking about having sex and she's (Inaudible)...

Well she wasn't, it didn't just, like straight cut to the chase like talk, we talk

(Inaudible) you know do this or that like she was, she was talking all, she was talking all loud, we like

[REDACTED] was trying to get her to, get her to calm down and she said something about like ya'll

gonna, you gonna put me on world star on worl on the Internet.

Det. Tacey Would that be

And I'm like and, and, and we didn't even have phones up there, she's the only one who had a phone.

Det. Tacey Right.

She's the only one who had a phone up there.

Det. Tacey So then.

So I'm like ain't nobody gonna put you

Det. Tacey World star hip hop.

Yeah, world star hip hop.com.

Det. Tacey She said you said that.

I didn't, I didn't say that. I said when there's nobody, nobody gonna put you on world star hip hop.com 'cause you're the only one who have the phone...

Det. Tacey Okay.

... who has a phone up there.

Det. Tacey Why would they put her on world st, why would anybody, not you.

That's what I'm saying, like we wouldn't, we wouldn't do, I wouldn't do that to

Det. Tacey Would they do that because she's drunk.

That's 'cause she was talking all loud and you know they crazy, acting foolish.

Det. Tacey Okay.

So I'm like [REDACTED] nobody gonna put you on world star, you the only one who have a phone in the (Inaudible).

Det. Tacey Just a little side note here, what's your nickname.

[REDACTED]

Det. Tacey So, then, you're not, nobody's going to put her on world star hip hop.

No.

Det. Tacey Okay, and you said you know we weren't trying to...

...yeah we, we're not trying to do that.

Det. Tacey Okay, so then what happens. Uh, I'm sorry, I was recapping for ya. So then eventually, now they're talking it comes time where her and [REDACTED] talk about having sex.

[REDACTED] Uh huh.

Det. Tacey Right. So eventually for whatever reason you decidedly turn off the light and shut the door. Alright, and then you're gone. You had no contact with her.

[REDACTED] (Inaudible) I told you like I said we, we all came downstairs and talked for however long and we left.

Det. Tacey And there, and there's no argument, I mean.

[REDACTED] I mean they

Det. Tacey No picture taking, no (Inaudible)...

[REDACTED]I don't remember, I don't remember a picture being taken, but like it was like I told you about [REDACTED]

Det. Tacey Okay.

[REDACTED] The argument about that and I mean everybody, we, they just talking.

Det. Tacey Okay.

[REDACTED] You know being, having a (Inaudible) conversation/debate or whatever. I can't remember like specifically what it was about but.

Det. Tacey Then the next day [REDACTED] tells ya, after, after you left, she performed oral sex on him.

[REDACTED] Uh huh.

Det. Tacey Did he say it was consensual.

[REDACTED] Yes.

Det. Tacey Yeah.

[REDACTED] He said she did it like, like he didn't force her or anything, she did it.

Det. Tacey Where did ah, where did he tell you this at.

[REDACTED] He called me and told me.

Det. Tacey And would that have been on Saturday that he told you or Sunday.

[REDACTED] Saturday.

Det. Tacey Now did you post something on your ah Twitter account by down believe that bitch from EMU about (Inaudible).

[REDACTED] I can't even Twitter, put anything on Twitter, my, my coach (Inaudible), he said, he said we can't, we can't be on Twitter anymore.

Det. Tacey What's your Twitter name?

[REDACTED] [REDACTED].

Det. Tacey Like the cartoon.

[REDACTED] No. [REDACTED]

Det. Tacey Oh, okay.

[REDACTED] 24. You want me to, I can, I can show you on my phone (Inaudible).

Det. Tacey Well, I want to (Inaudible) I don't have the picture but I'm gonna get a picture and I'm gonna show you something in here ah shortly, but you never Twitter'd anything about that.

[REDACTED] No.

Det. Tacey No. Is there...

[REDACTED] ...hold on, can I, what did the Tweet say?

Det. Tacey Ah, it said something about don't believe anything that lying bitch from EMU says. And I'll show it to you.

[REDACTED] I didn't, I didn't put that on Twitter.

Det. Tacey I'll show it to ya, show you the picture, and I'll show you the um, the name that it came on. She's saying that it's from you.

[REDACTED] It can't be from me 'cause I can't even be on Twitter.

Det. Tacey And why's that.

[REDACTED] 'Cause my coach said we, we weren't allowed to.

Det. Tacey Okay. What if I said it came from [REDACTED] then, [REDACTED] Do you know what [REDACTED] Twitter name is.

[REDACTED] Ah, [REDACTED]. I think that's what it is.

Det. Tacey Okay. Alright. So it comes down to let me ask is there a possibility that as you're

helping her upstairs...

██████████ Uh huh.

Det. Tacey That she could have misconstrued your help to the unwanted fondling to touching her buttocks, touching her vagina.

██████████ Uh I don't, I don't see how, I never touched her in any of those ways.

Det. Tacey Okay.

██████████ I mean, I might, I might have slipped or did whatever, but I didn't like, intentionally I didn't try to.

Det. Tacey I'm a little concerned about your whole part with kissing her. Now you know if you kissed her or not, but yet you're telling me well my DNA might be there, it might now.

██████████ I mean 'cause that's what, that's just the vibe I'm getting, I don't, I mean, they say I, is, is, you're saying it like it, like it is there.

Det. Tacey Well I'm going by what she's telling me and eventually the evidence that we're going to collect.

██████████ (Inaudible) Okay.

Det. Tacey Alright. I'm asking ya man to man, straight up, what happened (Inaudible) did you kiss her and is your saliva gonna be on her breast.

██████████ (Inaudible)

Det. Tacey Would you be willing to take a polygraph test in regards ta, to this whole matter.

██████████ To the whole thing?

Det. Tacey Yeah.

██████████ Yeah.

Det. Tacey Yeah, that's be (Inaudible) like no um, no surprises or anything, basically its gonna be did you have sexual contact with ██████████ And how would you answer that.

Report Narrative (Continued from 2 of 3)

[REDACTED] No I wouldn't, I mean no I didn't.
Det. Tacey Okay. Basically that's what the heart of the matter is. Did you have unwanted sexual contact with her, she's saying you did and she's saying that [REDACTED] had it. That's, that's why we're her.
[REDACTED] Oh you said, she's saying that I had it.
Det. Tacey Well yeah, touching her, kissing her breast, fondling her buttocks, (Inaudible) she said that [REDACTED] did.
Det. Tacey That [REDACTED] she's saying that [REDACTED] ah made her perform oral sex on him. (Inaudible).
Det. Tacey Alright, and I believe that because you're not in the room at that time.
[REDACTED] Yeah.
Det. Tacey You're gone. See but for you I'm more concerned about you kissing on her and touching her vagina and touching her buttocks, um pulling down her skirt, her ah dress and her underwear.
[REDACTED] Ok.
Det. Tacey And see we take the dress and take the underwear too in case there's any semen or saliva or blood on it for forensic evaluation but so. That's what it comes down to. Um, did you have, (Inaudible)
Det. Lencioni You said that you had 4 shots of 1800 before you went out (Inaudible) right.
[REDACTED] Yes.
Det. Lencioni And what time frame are you talking here.
[REDACTED] Uh, this had to be, we got, we got to [REDACTED] house I'd say around, I want to say 12:45 or 1:00. And we didn't, we didn't, we didn't.
Det. Lencioni What did you drink at the bar.
[REDACTED] I didn't drink anything.
Det. Lencioni So you had nothing to drink throughout the whole night until you go to [REDACTED] after you had been to Fifth Quarter and Studio 4.
[REDACTED] I didn't have any alcohol to drink, just.
Det. Lencioni No alcohol.
[REDACTED] No alcohol except for the 1800.

Det. Lencioni So you had nothing to drink before you went to the club.

██████████ The 1800.

Det. Lencioni You had it before.

██████████ Yeah before.

Det. Lencioni Okay, and what time what I'm asking is what time was that, when did you have those.

██████████ The shots.

Det. Lencioni Yeah. We talking like 8:00 at night, 9, 10.

██████████ Probably like what time (Inaudible) yeah I went to go get it at like 11 and I think I took my first shot at like maybe, maybe like 12, 12:30, 12:45 something around that time. It was around 12.

Det. Lencioni I'm still confused. You, what time did you get to the club.

██████████ We got there at like 1 something.

Det. Lencioni At Fifth Quarter.

██████████ Yeah.

Det. Lencioni Okay, and how long did you stay there.

██████████ Like 15/20 minutes at the most.

Det. Lencioni And then you went to Studio 4.

██████████ Uh huh.

Det. Lencioni Okay. Um, so you started to drink around midnight...

██████████ ...Uh huh...

Det. Lencioni ...and you had 4 shots, then you went to Fifth Quarter...

██████████ ...Uh huh...

Det. Lencioni ...And then you went to Studio 4, and then you went back to ██████████

██████████ Yes. (Inaudible).

Det. Lencioni Basically yeah. So, and, and the time that ██████████ got back, or not back but

██████████ got to ██████████ is somewhere around 2:30.

██████████ Yeah.

Det. Lencioni (Inaudible)

██████████ Around 2:30ish, 2:45 it was, it was kind of late 'cause.

Det. Lencioni So you had 4 shots of 1800 around midnight and you had nothing else before that, nothing else after that, so we're talking about 2 ½ hours later.

██████████ Uh huh.

Det. Lencioni Okay. So the part that I'm having a hard time believing, just an outsider looking in, listening to your conversation with Det. Tacey here.

██████████ Uh huh.

Det. Lencioni Is that ██████████ says she wants to use the bathroom and she wants to go upstairs specifically. And you bring her up there and she's using the bathroom, you're sitting on the bed. Right. And just correct me if I have anything wrong here.

██████████ Uh huh.

Det. Lencioni She's in the bathroom, you're sitting on the bed. She's done using the bathroom.

██████████ somehow in that timeframe comes in so the three of you are in there. Okay.

██████████ Uh huh.

Det. Lencioni And you remember all of this stuff and you remember after Det. Tacey refreshed your memory about, about this she wanted to take a shower and then she wanted to take a shower with ██████████ and then you wanted to and then you (Inaudible) or tried to help out get this thing going or for whatever reason you go and you turn on the shower.

██████████ Uh huh.

Det. Lencioni And then so you remember everything up until this point and then it comes to the point where she's saying that you did something that she didn't want you to do and all the sudden you just can't remember this. That's what, that's what's hard to believe for me, because a person, a person either remembers you know the events in the night or they don't remember anything at all and you remembered everything but this particular part and I mean you know, I drank alcohol in the past.

██████████ Uh huh.

Det. Lencioni And there's probably been times when I drank too much, you know, but I still remember what's going on, especially if somebody says hey you remember, you remember this and, you know maybe you don't recall initially but it comes to you right, I mean you'd know if you put your lips and

mouth on her breast, and I've been doing this for a long time, Det. Tacey's been doing this for a long time, you know, if, if you did something that now you may regret, its better for you to tell us than for us to have to go through steps A, B, C, D, E, F, you know make us go through the whole alphabet.

Uh huh.

Det. Lencioni To say (Inaudible) you did it. Right.

Uh.

Det. Lencioni Okay. You, you're in college.

Yeah.

Det. Lencioni Okay, so that means that you've gone through 1st grade through 12th grade.

Yeah.

Det. Lencioni And what year are you in school right now.

I'm about to graduate in April.

Det. Lencioni Congratulations.

Thank you.

Det. Lencioni Okay, so almost 4 years of college.

Yeah.

Det. Lencioni Okay. So you've had history classes right.

Yes.

Det. Lencioni Okay, history is just that. Something that's already happened.

Yeah.

Det. Lencioni Okay. You know and I know, Det. Tacey knows we can't change history.

Right.

Det. Lencioni Okay, what's done is done.

Right.

Det. Lencioni What we have control over is what happens from this point forward. Right.

Right.

Det. Lencioni Okay, so I mean there's, there's things in my life, trust me, that I wish I hadn't done

Uh huh.

Det. Lencioni and that I regret doing and decisions that I made because we don't always make the best decisions.

Right.

Det. Lencioni Especially sometimes if there's alcohol involved.

Right.

Det. Lencioni Okay. Is that something that happened here, where, where you had a little lax of judgment and, and, and you did something and, you di, there's no allegation that you "raped her".

Right.

Det. Lencioni Okay.

Uh huh.

Det. Lencioni So, maybe it came to a point where you're like what am I doing, I got to get out of here, this is, this is stupid.

Uh huh.

Det. Lencioni You know, this, this looks bad, you know, here's this woman lying on the bed, she's got her clothes off, she's got two dudes right there.

Uh huh.

Det. Lencioni This don't look good, I started sucking on her, on her breast a little bit.

Uh huh.

Det. Lencioni And all of the sudden maybe you came to this realization or this, this, this thought like nah, I'm not, I'm, I'm done.

That's why I left.

Det. Lencioni I'm not into that.

That's why I left.

Det. Lencioni So I mean, is that, I mean I don't want to put words into your mouth, but, you know just kinda reading between the lines from the things that you're saying, that's what comes to my mind is that you know maybe you had this ideal or this idea of doing a three way with her and you were going to do the shower and you were going to get freaky or whatever,

[REDACTED] (Inaudible)

Det. Lencioni And then all of the sudden you're like um, no, bad idea.

[REDACTED] It wasn't my intention to do all that though, like to get, to get her in the shower and I wasn't trying to do that.

Det. Lencioni Okay, I, I wasn't there, you know, that, that, that's why we, that's why we do these interviews 'cause I wasn't there, Det. Tacey wasn't there either.

[REDACTED] Right.

Det. Lencioni But I mean am I on the right thought line

[REDACTED] Yeah, you on the right.

Det. Lencioni Where you were thinking like something's gonna happen and then all of the sudden you decided um.

[REDACTED] This ain't for me, this not what I

Det. Lencioni This ain't right.

[REDACTED] not what I want to do. Yeah.

Det. Lencioni So you decided to leave.

[REDACTED] Yeah.

Det. Lencioni Okay. So, now let's backtrack here. So we established that you were kissing on her. Is that, is that an accurate statement.

[REDACTED] Yes.

Det. Lencioni Well, again, the only, I mean, having 4 shots of liquor for me would be a lot, okay.

[REDACTED] (Inaudible) I mean, I don't, I don't drink a lot.

Det. Lencioni But again, we're talking 2 ½ hours, so you know a lot of time has passed. Normally for a person would be to be able to for your system to be able to deal with one shot an hour. Okay, so you had 4, 2 ½ hours passed so yeah, maybe you're not in your clearest of minds, but you still kinda know what's going on, I mean you still remember well, you still remember bringing her up, still remember her wanting to use the bathroom.

[REDACTED] Uh huh.

Det. Lencioni Still remember (Inaudible) remember turning on the shower, okay, you remember the positioning on the bed, you remember all of those things, okay, you don't just say I can't remember this, I mean maybe you don't want to remember, you know, I understand that.

[REDACTED] Uh huh.

Det. Lencioni I understand if you don't want to remember, like I said, you know we've all made poor decisions in our lives, okay, we're human right, we make mistakes.

[REDACTED] Right.

Det. Lencioni Right. So did you make a poor decision.

[REDACTED] (Inaudible), I had to.

Det. Lencioni You had to.

[REDACTED] I had made a poor decision 'cause that's what, I mean I guess I.

Det. Lencioni You either did or you didn't. I mean there's, there's no half way. Is it just something where you're having a hard time telling us about it, do you feel bad about it. 'Cause that, that's happened to me many of years that we've both been in.

[REDACTED] Right.

Det. Lencioni You know. Alcohol sometimes impairs our judgment. I can, I can, I can see the gears in your head just working, they're just working

[REDACTED] I'm saying like this

Det. Tacey Time to get the truth out (Inaudible)

[REDACTED] This, this.

Det. Lencioni I'm with ya that I can see in your mind, I mean you seem like a good kid. I know that you haven't been at least from what I've seen, you haven't been arrested for anything before, you haven't been convicted of anything before, I don't even know if you have a traffic ticket. Okay.

Det. Tacey We do our background research you have nothing here.

Det. Lencioni This is, this is a new experience for you and, and I understand, you know, it's easy for me to sit over here and you sit over there and me asking you questions, okay, you made a poor choice that night didn't ya.

Det. Tacey We need to know the truth.
