██████████ arrived at the police station using crutches as he recently had a medical procedure on his knee that required him to use the crutches. ██████████ sat at the table on the south side of the room while Det. Tacey sat across from him on the north side of the room. To ██████████ immediate left was MR. SHEA (southwest side of the room), and to MR. SHEA'S left was Det. Lencioni (northwest side of the room).

██████████ then stated that they met at the gas station, which upon questioning was determined to be Shell gas station at Ann Arbor-Saline Road. He stated that he and ██████████ went into the station to get some snacks when a gold car pulls up and ██████████ comes into the store. He indicated that she has a loud personality and wanted him to get her something to drink. She grabs some merchandise and ██████████ paid for it for her. Detective then questioned ██████████ about if there was any conversation about her spending the night at his residence, and he indicated there was not.

██████████ indicated that ██████████ has never been to his residence on ██████████ before. She has been to his residence on ██████████ approximately two times in the past.

██████████ then drives the gold car and follows him to his residence. He pulls into the garage, gets out, and enters through the garage door. ██████████ pulls into the driveway and eventually enters into the residence. He is not exactly sure how she entered, but there is a possibility that she entered through the front door.

██████████ states he then goes to the middle part of his condo and explains where the kitchen and the TV are located. Everyone comes into the residence and goes to the living room.

██████████ indicates he goes upstairs to put his phone in the charger, which is in his (master) bedroom.

██████████ comes out of the bedroom and looks across and sees ██████████ and ██████████ in the guest bedroom. ██████████ goes in and asks what are they doing there, and ██████████ indicates that ██████████ had to use the bathroom. ██████████ asked why she did not use the one downstairs and ██████████ indicates that one of the other girls was using it.

██████████ then goes into the bathroom, uses it, and approximately one to two minutes later comes out.

██████████ begins to make his way downstairs, when ██████████ grabs his left arm and she tells him she wants to stay up here. ██████████ believes this is in regard to a prior sexual history they have had. ██████████ indicates to ██████████ to go into his bedroom so they can go and have sex. ██████████ does not want to go into his bedroom and tells her no. She responds by saying, "Come on, let's do it again." ██████████ thinks that maybe ██████████ is in the guest bedroom, but he ends up telling ██████████ to go into the guest bedroom, and he says he cannot remember exactly how ██████████ got there. ██████████ indicates he is sitting on the side of the bed and ██████████ and ██████████ are standing up talking.

██████████ indicates they are talking about random things, and at this time the door is open. Approximately two to five minutes later, ██████████ comes upstairs and talks about ordering pizza and how they are going to pay for it.

Detective Tacey asked if at this time ██████████ was the person who brought up the 1800 tequila bottle, and he stated he was not. It was determined that the door was closed after this so they could have privacy.

██████████ stated he never wanted to have sex with ██████████ but ██████████ did. At this time ██████████ and ██████████ are standing up talking and he was not making any sexual advances to her.

██████████ was saying, "So ██████████ what are you feeling like tonight," referring to sex. ██████████ just reacts and does not get offended, and says, "Well, I don't know about dealing with both y'all." ██████████ is talking to her about having a three-way sexual encounter between, but it is being insinuated and not asked directly. ██████████ and ██████████ believe she is thinking about it, so they continue to talk to her about having a three-way.

Detective Tacey talked to [REDACTED] about the CSC kit and forensic evidence, and specifically related it to the buccal swab that was retrieved from him via the search warrant. [REDACTED] stated he understood, and there would be none of his DNA in the vaginal or anal swabbings. He and MR. SHEA conceded that it is unknown if DNA evidence from her oral swabbings exist, but it was understood that a long time had passed since the incident and when the swabbings were collected.

[REDACTED] also believes it is for the embarrassment factor. She may feel it is going to get out that they had a sexual encounter, and she does not want to look like a whore. She is trying to cover it up.
